CENTERS OF EXCELLENCE

PRIORITY NUMBER: 3

HRSA CORE SERVICES CATEGORY: AMBULATORY / OUTPATIENT MEDICAL CARE

DEFINITION OF SERVICE: Multidisciplinary model of service delivery where client care is merged, coordinated or otherwise linked to ensure the delivery of a comprehensive spectrum of services, focused on severe need populations. Models are designed to place primary medical care at the center of the service delivery system and provide: primary medical care; medical case management; mental health assessment, referral and/or brief counseling; substance abuse assessment, counseling, and referral; treatment advocacy; psychiatric consultation and medication monitoring; care coordination; and vouchers.

PROGRAM DESCRIPTIONS

medical and psychosocial needs of women with HIV within a chronic care model.

HIV, specifically Latino men who have sex with men and transwomen

people experiencing homelessness, transwomen, and Asian and Pacific Islanders

experiencing homelessness and living in poverty.

Southeast Corridor of San Francisco and throughout San Francisco.

MEDICAL CASE MANAGEMENT

PRIORITY NUMBER: 4

HRSA CORE SERVICES CATEGORY: MEDICAL CASE MANAGEMENT

DEFINITION OF SERVICE: A service that links and coordinates assistance from multiple agencies and/or caregivers who provide case management related to HIV medical care. Medical case management services are a range of client-centered services that link clients with health care, psychosocial and other services; the coordination and follow-up of medical treatments are key components of medical case management.

PROGRAM DESCRIPTIONS

concurrent substance abuse and/or mental health problems; who live in the Tenderloin, South of Market, Mission, and border neighborhoods to Daly City. Services focus on immigrants and/or undocumented individuals.

Mission district, at or below poverty level with a special focus on bilingual and monolingual Spanish speakers, immigrants, and refugees.

increasing their access to appropriate medical care, mental health, social and support services, with an emphasis on Spanish speaking, low income individuals who reside in San Francisco.

with men and/or injection drug users.

severe needs; services include case management and peer advocacy.

OUTREACH

PRIORITY NUMBER: 13

HRSA SUPPORT SERVICES CATEGORY: OUTREACH

DEFINITION OF SERVICE: Programs that have as their principal purpose identification of people with unknown HIV disease or those who know their status so that they may become aware of, and may be enrolled in care and treatment services (i.e., case finding). Services target high-risk communities or individuals. Programs are planned and delivered in coordination with prevention programs and are targeted to populations known to be at disproportionate risk for HIV infection.

PROGRAM DESCRIPTIONS

Testing Program from outreach in the field and referrals from other agencies, with the goal of linking them to primary care services and/or keep them engaged until they are ready to do so. Additionally, outreach is conducted with at-risk HIV-negative individuals via direct contact in the field and through group presentations in order to educate and encourage them to receive HIV Testing services and other linkages.
