Community Resources and Recognition

- **Immigrant Rights Resources Available:**

Comprehensive immigrant rights pamphlets are now available in English and Spanish, offering vital legal info and support. Download and share at bit.ly/rrpdf. If you see ICE activity in San Francisco, call the Rapid Response Hotline at **415-200-1548** for immediate legal help.

- More resources: immigrants.sf.gov and the Office of Civic Engagement and Immigrant Affairs.

- August marks Transgender History Month in San Francisco and California, which is a time to recognize the leadership and resilience of transgender communities. SFDPH honors this legacy by supporting gender-affirming care through programs like Gender Health SF and San Francisco Transgender Alliance for Health Resources (STAHR), which provide vital health services and community-led support for trans individuals.
