14th Annual District 10 Health Fest Celebrates Community Wellness in Bayview
Saturday, October 17, 2026
1550 Evans, Southeast Community Center (SECC) in San Francisco's Bayview neighborhood. 11 a.m. to 4 p.m.

CHEP, in partnership with the 14th Annual District 10 Health Fest was to promote health equity and holistic community well-being by connecting Bayview residents with free health screenings, preventive care, and local resources while encouraging physical activity, cultural appreciation, and community engagement. Through its "Bayview in Motion" theme, the event aimed to make health services more accessible, support healthy lifestyles, and strengthen community connections to help build a healthier, more vibrant, and sustainable neighborhood.

31st Annual Chinatown Community Health Fair Connects Residents with Vital Health Services
Saturday, October 17, 2026, 10:00 AM – 3:00 PM
Chinatown YMCA, 855 Sacramento

CHEP, in partnership with the 31st Annual Chinatown Community Health Fair, wants to improve access to health care and preventive services for San Francisco's Chinatown community by providing free health screenings, vaccinations, health consultations, and educational resources. Through collaboration among health care providers and community organizations, the event aimed to promote early detection of health concerns, encourage healthy lifestyles, and connect residents and families with culturally responsive services that support their overall health and well-being

HIV Prevention Workshop Promotes Culturally Responsive Health Education for Spanish-Speaking Community on 10/7/26

HIV prevention workshop was to increase access to HIV prevention education for Spanish-speaking community members by providing culturally responsive information and activities tailored to the Latino community. Through the RAICES partnership at the Mexican Consulate, the workshop aimed to empower participants with essential health knowledge, promote HIV prevention awareness, and create an inclusive environment where individuals could comfortably engage with health information in their preferred language. The event also helped raise awareness of CHEP's programs and services, strengthening community connections and promoting health equity through accessible, culturally informed outreach.

Castro Street Fair
Saturday, October 4, 2026, 11:00 AM – 6:00 PM
Market & Castro Streets and surrounding areas

October 4th, the Castro Street Fair turns 52. CHEP, in partnership with Castro Street Fair celebrated the vibrancy of the neighborhood, the diversity of our community, and the importance of supporting our local merchants, artisans, restaurants, and nightlife. Most of all, it's about the family we've built together for over five decades. CHEP supported efforts to connect community members with health information, preventive education, and resources that promote overall well-being.
